

JENNIFER LADD CONSULTING

Leadership & Money Coach, Group Facilitator

Young People with Resources

- Do you have more wealth than your peers, either from inheritance or earning, and want to connect with others so you can leverage your privilege?

And/or

- Did you grow up in a family with financial means and expect to inherit some day – do you wonder how you will keep true to your values once you have control of your resources?

And/or

- Are you looking for other young people to talk to about topics like: how to invest, where to give, how much to spend on yourself, when and how to lend to friends - are you having trouble finding those people?

Come to a confidential gathering of young people – between the ages of 18 – 35.

Jenny Ladd will help you to meet each other, to share connections and to see if you want to continue to meet in some way or another. She will introduce you to Resource Generation's Praxis program – that helps groups of young people to meet with each other on their own but with guidance from Resource Generation, www.resourcegeneration.org.

When: Thursday, May 26, 7:00 – 9:00

Where: Hadley, MA

Cost: \$10.00

How do I sign up?

Please call 413-297-5626 or email Jenny Ladd at jladd@jenniferladd.net. She will talk with you to see if this is the right group for you.

RSVP by May 20

Jennifer Ladd, ED, is a philanthropic adviser, coach and Class Action trainer, www.classism.org. She inherited money at 21 and has been involved with numerous social change organizations and foundations. www.jenniferladd.net.
